### **Brides-to-be invited to an evening of fun at Plymouth's Treasury**

Brides and their accompanying 'chicks' are being invited to an evening of pampering, live music and games at the Treasury lounge-bar-restaurant as part of Plymouth Style Week on Wednesday October 28.

The wedding fair evening, which is being hosted by Plymouth's House of Fraser, as part of Plymouth Style Week will bring together local wedding exhibitors for an evening of fun.

Exhibitors already confirmed for the evening, which will take place between 7-10pm, include Celebration Balloons, Prudence Gowns, Image House, Fancy Pants Cakes, The Hair Priory, Mr Buns and Wed Magazine.

As well as a pamper area, where brides-to-be can have their make up done and hair put styled, there will be live music throughout the evening and guests can take part in games for a chance to win prizes from House of Fraser.

Plymouth Style Week, which is hosted by Plymouth City Centre Company, takes place in the city between Saturday 24 October until Saturday 31 October and is designed to showcase what's fashionable, stylish and new for the season ahead.

**Eve Wooldridge, BID retail manager at Plymouth City Centre Company said:**

"The wedding fair should be a really popular event and will showcase a great selection of local businesses. The evening should give soon-to-be brides some

inspiration for planning their big day and the games and prizes on offer should make the evening really fun for guests. It's the perfect excuse for a pre hen night party.

"Style Week is designed to showcase the great selection of high quality shops selling great products and the wedding event is one of many during the week to show just this."

The wedding evening at the Treasury, which is situated on Catherine Street, Royal Parade, is free to attend and limited to 100 people. Anyone wishing to attend should go to the House of Fraser wedding list department or email [plymouthweddinglist@hof.co.uk](mailto:plymouthweddinglist@hof.co.uk) to reserve a place on the night.
